

The screenshot displays a Zoom meeting interface. The main window shows a presentation slide titled "Euroregion Nestos-Mesta" with a map of the region and a list of bullet points. The participants are arranged in a grid at the bottom of the screen.

Presentation Slide Content:

- What to do with the barriers?**
- How can we get CBC in this situation? (UKR/RUS question years ago)
- We do it by:
 - Monitoring the regulations
 - Online and other innovative means
 - Low costs
 - Available resources
- High salaries allow constantly virtual meeting in video a meeting
- Top of culture with a CBC benefit
- Project money may not available

Participants (Grid):

- Row 1: Irina Pashina, Irina Nefedova, Galina Tab 56, Andreea Karada...
- Row 2: Danylo Ostapchuk, Galina Tab 56, Andreea Karada..., Irina Pashina, Galina Tab 56
- Row 3: Danylo Ostapchuk, Galina Tab 56, Andreea Karada..., Irina Pashina, Galina Tab 56
- Row 4: Irina Pashina, Galina Tab 56, Andreea Karada..., Irina Pashina, Galina Tab 56

The second day of the Youth forum started with interaction with young participants on what is necessary for the innovation.

What is necessary for the innovation?

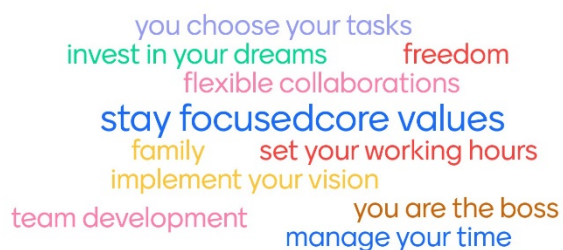

Afterwards, the thee best practices were presented each leading to the interesting questions from the participants and their interaction with the participants. The best practices that were presented are:

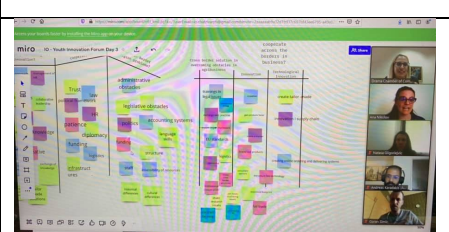

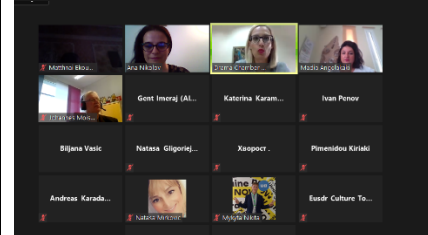

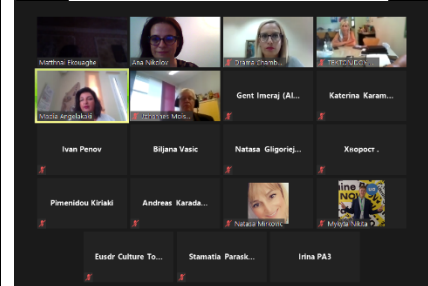

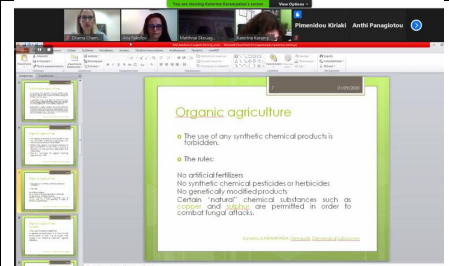

1. Organic Farming: Trends, Innovations and Best Practices, K. Karampatea, International Hellenic University
2. The FHL Marble Factory Innovation in marbles extraction and marble sculpting using robotics technology, M. Kalogeraki.
3. Agricultural social innovation in Bulgaria at the Cross Border Area, Prof. Ivan Penov, University of Plovdiv

The second day was closed with the discussion on what is the best about being an entrepreneur.

What is the best about being an entrepreneur?

The third day of the Youth Forum started with the discussion on the main challenges in cross-border businesses.

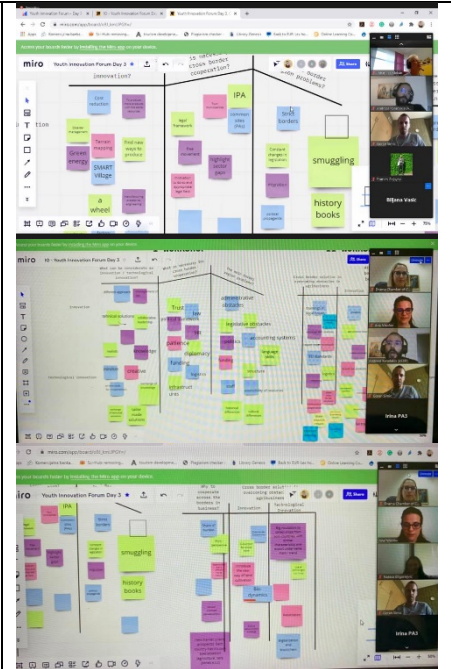

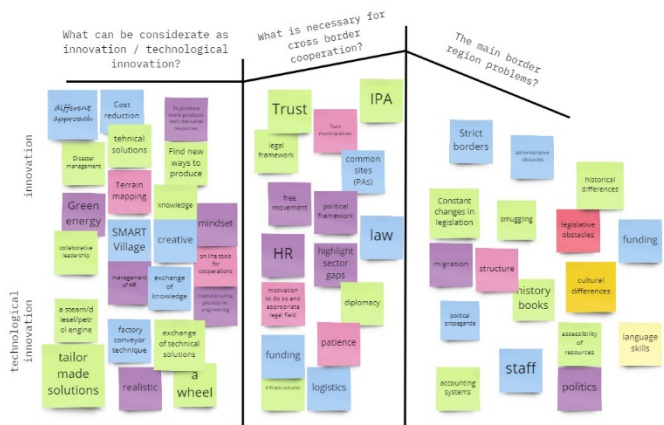

The main challenges in cross-border business?

Then the participants were divided into two groups where they were working together on finding the answers on the following questions: What can be considerate as innovation /technological innovation?; What is necessary for cross border cooperation?; The main border region problems?; Why to cooperate across the borders in business?; and Cross border solution in overcoming obstacles in agribusiness? At the end of the workshop each group presented their work and their ideas on overcoming the cross-border obstacles in agribusiness. The summary of their work you can see on the carts below.

I WORKSHOP

II WORKSHOP

Before closing remarks coming from Mr Johannes Moisio, Chairman of TFEF, young people had the opportunity to express their impressions from the 3 days of the Youth Innovation Forum.

Your impressions from the Youth Forum?
